

Frequently Asked Questions

Title: Windows 10 Support

Date: 17 Nov 2016

Card/Board/Module: All

Operating System: Windows

Question:

Are Excalibur products supported under Windows 10 ?
What about running existing 32bit (or 64bit) applications, on Windows 10 ?

Answer:

Yes, all of our current products are supported under Windows operating systems, including Windows 10, Windows 8, Windows 7.

Hardware drivers – Use the same ones as for Windows XP.

Software drivers – Use the same ones as for Windows XP.

Please see our FAQ titled “[Where can I find Software drivers on this website](#)” at www.mil-1553.com/faqs, to determine where the drivers are found.

Please see our FAQ titled “Driver Support for Various Windows Operating Systems - 64bit Windows and running a 32bit EXE”, available for download in our FAQs section of our website, at www.mil-1553.com/faqs.

This document explains which hardware driver & which software driver combination to install for use on your current Windows (32bit and 64bit).
